

Ready? Go.

1 Prepare your pitch.

Include the name of your idea.

Why do people need it?

Feel free to use models, demonstrations, drawings, etc. to explain your idea.

2 Practice your pitch.

Tell a friend or family about your idea (Try to do it in 2 minutes or less). Remember to tell “Why” your idea is needed.

For inspiration, and to see how other, older participants told about their big idea, visit www.projectpitchit.com

3 Record your pitch.

Your smartphone makes it easy to record a video of your big idea. Remember to keep it to 2 minutes or less.

Start the video with, “Hi, my name is...” and then tell us about your big idea.

4 Send us your pitch.

Once your video is complete, send us your pitch. Remember the deadline is Sept. 26, 2022.

To send us your video,
